

PRESIDENT'S MESSAGE

It is my distinct honor to welcome you to the second edition of the **FICCI Quarterly Insights Newsletter for 2025**.

Significant milestones have marked this past quarter, and I am pleased to share our collective progress and the stories that inspire us to move forward together.

As we entered the second quarter of 2025, the **"FICCI Next Gen Vibes: A Night of Networking & New Faces"** event offered a fresh space for emerging leaders and new faces to connect, collaborate, and share ideas in an atmosphere of openness and possibility.

This momentum was followed by our landmark event, **"FICCI Tech Summit 2025"**, the biggest and most ambitious gathering we've ever hosted, bringing together industry leaders, innovators, and changemakers to explore the future of technology and business.

Building on this spirit of collaboration, FICCI was proud to participate in the **Opening Ceremony of the 34th Biennial Convention of FFFCCII** on April 3, 2025. Our involvement underscored our ongoing commitment to

As summer reached its peak, the **"FICCI Pickleball Tournament 2025"** offered a refreshing blend of recreation and networking—proving that community-building can be both active and enjoyable under the summer sun.

Looking ahead to the third quarter of 2025, the FICCI Board of Directors and I want to express our heartfelt gratitude to all who have journeyed with us. May the remainder of the year bring fresh opportunities, stronger bonds, and remarkable success for everyone.

fostering strong industry partnerships and collective growth.

Shortly thereafter, represented by Honorary Chairman Rex Daryanani, **FICCI was honored to attend the NOVA Awards Night hosted by I-WE**, where we received a Service Award in recognition of our continuous dedication and contributions to the community.

Continuing our active engagement, FICCI also took part in the **MICP's 6th CICAC Meeting**, further reinforcing our support for enhanced trade and customs collaborations. Through this partnership, we remain focused on advocating for streamlined processes that benefit businesses and strengthen economic ties.

We Remain,
For Federation of Indian Chambers of Commerce (Phil.) Inc.

INSIDE FICCI

FICCI Joins Launch of the Philippine Ease of Doing Business (EODB) Reform Guidebook, Awarding of EODB Partners, and ARTA's 7th Anniversary

The Federation of Indian Chambers of Commerce (Phil.) Inc. (FICCI) proudly participated in two significant events organized by the Anti-Red Tape Authority (ARTA) on 22 May 2025.

Earlier that day, FICCI took part in the official launch of the Philippine Ease of Doing Business (EODB) Reform Guidebook and the Awarding of EODB Partners. President Mahesh P. Mirpuri and Vice President for Learning and Strategy Amrit Mirpuri represented FICCI, joining representatives from government agencies, private sector partners, and key stakeholders in recognizing collective efforts to streamline government services and build a more efficient, transparent, and business-friendly environment in the Philippines.

That afternoon, ARTA commemorated its 7th Anniversary with an Employee Recognition Ceremony held under the theme "Building Bridges @ 7: Moral and Digital Transformation for a Business-Ready Philippines." FICCI was represented by Vice President for Finance Hareesh Mirpuri, who joined fellow stakeholders in celebrating ARTA's milestones and honoring the dedicated individuals behind its impactful reforms.

FICCI remains steadfast in its support of these transformative initiatives and looks forward to continued collaboration toward creating an enabling ecosystem where businesses can thrive and contribute to inclusive and sustainable economic growth.

FICCI IN FOCUS

Poe says agencies need support for proper telecommunications infrastructure

Highlighting the need for faster internet, Senator Grace Poe said government agencies need more support for proper telecommunications infrastructure.

“For this to be successful, the internet speed should be better in those places like Siargao, I suppose, Palawan, and other— Boracay— places that can encourage more of these digital nomads to come,” Poe said during the Federation of Indian Chambers of Commerce (Phil.) Inc. (FICCI) Tech Summit 2025 on Wednesday, May 14.
